

THE WEEKLY GEEK

ISSUE 16: SPRING 2013

Welcome to The Weekly Geek

This is a new e-newsletter from the Information & Instructional Technology Departments at Dakota County Technical College. Each week will have a different technology related topic.

This week's edition of the Weekly Geek starts off by wishing long-time Information Technology department team member, Andrew Flocchini, best wishes on his relocation and new job in South Carolina.

On that note...this issue will offer some online and technology resources for keeping in touch with friends and family:

[Skype](#): free online voice and video calls

[Skype: How To Guides](#)

[Skype: YouTube How To's](#)

Available on iOS devices such as iPhones, iPod Touch with cameras, or iPads

[What is FaceTime](#)
