

THE WEEKLY GEEK

ISSUE 8: FALL 2012

Welcome to The Weekly Geek

This is a new e-newsletter from the Information & Instructional Technology Departments at Dakota County Technical College. Each week will have a different technology related topic.

They say that if someone grows up in an abusive situation, they are more likely to become an abuser themselves.

We have all sat through dreadful PowerPoint presentations, and now we create and deliver dreadful PowerPoint presentations...Let's break the cycle of abuse.

This week's issue of The Weekly Geek offers up some ideas and resources for creating more engaging PowerPoint presentations.
