

DAKOTA COUNTY
TECHNICAL COLLEGE

Spring 2013

[Course Home](#) | [Content](#) | [Calendar](#) | [Discussions](#) | [Email](#) | [Dropbox](#) | [Quizzes](#) | [Grades](#)

Each course will have the same navigation links to the D2L tools.

Not every course will utilize all the tools.

Course Home

This link returns users to the course homepage. The homepage is the first page you visit when you click on a course name in D2L. The homepage has a space for course announcements from your instructor.

Course Announcements ▾

Welcome to Class ✕

Posted Jan 6, 2013 11:47 AM

Welcome to the Spring Semester course. Please visit the [content link](#) to view the course syllabus.

Also post an introduction on the discussion board, this is due by the end of this week.

Discussions

The discussion tool is used for communication between students enrolled in the course and the instructor. Messages posted on the discussion board are visible to all users in the course. The tool may be used for discussion related to course content and offer student opportunities to share thoughts or ask questions.

Quizzes

The quiz tool is used for exams or quizzes in the course. Quizzes may have both a due date and be time limited. The most important thing to remember about taking quizzes on D2L is to save your answers as complete each question.
