

Quizzes

The quiz tool is used for exams or quizzes in the course. Quizzes may have both a due date and be time limited. The most important thing to remember about taking quizzes on D2L is to save your answers as complete each question.

Time Allowed

10

Attempts

Allowed - 1, Completed - 0

When you click on the **Quiz Name**, the following screen will display the **Quiz Details** which reminds you of the Quiz availability dates/times and the amount of time you will be allowed to take the test.

It will also include instructions for taking the quiz

Instructions

You can "Save" your response to each question as you work through the quiz. When you navigate to the Next Page or Previous Page, all your responses on the current page will be automatically saved.

Before you submit the quiz, you will have the opportunity to return to questions that you may have missed or have not yet answered.

You can submit your quiz responses at any time. However, if you submit your responses after the time limit expires, your attempt will be recorded as a late submission.

When you have finished reviewing these instructions, click on "Start Quiz" to begin Attempt 1.

Note: Your quiz may take a few minutes to be set up.

The timer will not begin until after the set up process is finished.
